Mr. Wilton H. Dickerson, Acting Director  
General Management Training Center  
Bureau of Training  
U.S. Civil Service Commission  
Washington, D.C. 20415

Dear Wilt:

This is to provide a record of our recent conversation concerning the termination of Mr. [REDACTED]'s tour as a Fellow in the Congressional Operations Program.

We regret that this special request had to be made. However, Mr. [REDACTED] is needed right away for a critical duty assignment. I assure you that senior officials of the Agency decided to propose his release from the Program only after serious consideration of relevant facts and circumstances.

The Agency definitely retains its interest in the Congressional Fellowship Program and hopes to participate regularly in future runnings.

Sincerely,
